

## GLENCOE PUBLIC LIBRARY

### HAMMOND ROOM POLICY

#### General

The Hammond Room is located on the mezzanine level of the Glencoe Public Library (Library) and is named in honor of Sarah Hammond, a Glencoe teacher, librarian, and the Library's first director. The dimensions of the room are 27' x 23' with a capacity of 41 persons. If tables are used for room set-up, the seating capacity is decreased proportionately.

The Hammond Room may be reserved during the following times, corresponding to 30 minutes after opening and 15 minutes prior to closing:

- Monday through Thursday: 9:30 a.m. – 8:45 p.m.
- Friday: 9:30 a.m. – 5:45 p.m.
- Saturday: 9:30 a.m. – 4:45 p.m.
- Sunday: 1:30 p.m. – 4:45 p.m.

If regular library hours are altered for any reason, room reservations will be adjusted accordingly.

#### Requests

1. A Glencoe resident – if a cardholder, then in good standing – must submit a completed application and signed waiver.
2. Applications and waivers must be submitted in writing or electronically, and filed with the Library five (5) days in advance of the date and time requested. Both forms may be downloaded from the Library's website. Completed applications and waivers may be submitted in-person at the Circulation Desk or emailed to [hammondroom@glencoepubliclibrary.org](mailto:hammondroom@glencoepubliclibrary.org) for confirmation.
  - a. Applications are considered on a first-come basis, and reservations will not be accepted beyond a period of three months.
  - b. Due to the number of room requests, reservations are limited to one meeting per month for any organization or its subgroups. No organization or subgroup may reserve the room on a regular basis (e.g., the same date and time every month) if that has the effect of making it unavailable for other groups.
  - c. Library operations and programs have priority in room use. On rare occasions, it may be necessary for the Library to reschedule an applicant's use of the room.

#### Equipment & Furnishings

The following equipment and furnishings are available for use in the Hammond Room:

8 tables (six foot)	Easel with paper
41 chairs maximum	Flat screen monitor
Podium with amplification	PA system
DVD player with speaker system	Pull down screen
Windows laptop	Projector

The Library will make every attempt to arrange equipment and furnishings according to the information on the application. However, the Library cannot guarantee adjusting room set-ups on Sundays when maintenance staff is not available. All equipment and furnishings must remain in the Hammond Room.

Any user of the Library's equipment is expected to be proficient in using requested equipment. The applicant is responsible for loss of or damage to the Library's equipment and furnishings incurred through misuse. The applicant shall reimburse the Library for any loss or damage to library equipment and furnishings.

Library staff members will set up library-owned equipment as requested on the application but library staff members are not available to provide training or assistance in use of the equipment during the reservation time, or to troubleshoot equipment not owned by the Library.
